A Wonderful Record.

As made up by improved and exact processes Dr. Pierce's Favorite Prescription is a most efficient remedy for regulating all the womanly functions, correcting displacements, as prolapsus, anteversion and retroversion, overcoming painful periods, toning up the nerves and bringing about a perfect state of health. It cures the backache, periodical headaches, the dragging-down distress in the pelvic region, the pain and tenderness over lower abdominal region, dries up the pelvic catarrhal drain, so discharges and weakens and overcomes every form of weakness incident to the organs distinctly feminine.

"Favorite Prescription" is the only medicine for women, the makers of which are not afraid to print their formula on the bottle wrapper, thus taking their patrons into their full confidence. It is the only medicine for women, every ingredient of which has the strongest possible endorsement of the most eminent medical practitioners and writers of our day, recommending it for the diseases for which "Favorite Prescription" is used.

It has more genuine cures to its credit than all other medicines for women combined, having saved thousands of sufferers from the operating table and the surgeon's knife. It has restored delicate, weak women to strong and vigorous health and virility, making motherhood possible, where there was barrenness before, thereby brightening and making happy many thousands of homes by the little ones that strengthen the marital bonds and add sunshine where gloom and despondency had reigned before.

Write to Dr. R. V. Pierce. He will send you good, fatherly, professional advice, in a plain, sealed envelope, absolutely free. Address him at Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets do not gripe. They effectually cleanse the system of accumulated impurities.

The People's Common Sense Medical Adviser, by Dr. Pierce, 1008 pages, is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 31 stamps for the cloth-bound volume. Address as above.

A WOMAN TO BE PRETTY

Must Have Luxuriant and Glossy Hair, No Matter What Color.

The finest contour of a female face, the sweetest smile of a female mouth, loses something if the head is crowned with scant hair. Scant and falling hair, it is now known, is caused by a parasite that burrows into the scalp to the root of the hair, where it saps the vitality. The little white scales the germ throws up in burrowing are called dandruff. To cure dandruff permanently, then, and to stop falling hair, that germ must be killed. Newbro's Herpicide, an entirely new result of the chemical laboratory, destroys the dandruff germ, and, of course, stops the falling hair, and prevents baldness. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

VIRGINIA AUTO LAWS.

Those owning automobiles and operating them on the roads and highways of Virginia will be interested in the following extracts from the acts of the General Assembly governing the operation of automobiles, locomobiles and other vehicles and conveyances whose motive power is other than animals.

The act starts out by making provision that every owner of an automobile or the like shall register the same with the secretary of the commonwealth and from that official must secure a certificate of registration which shall be attached to the machine in "an easily accessible place," and a number which shall always be in evidence upon the rear of the machine, which at all times within one hour after sunset and one hour before sunrise shall have at least one white light throwing a bright light at least 100 feet in the direction in which the machine is going. The machine must also have a red light in rear, which will show the machine number. When the owner of the machine sells in the year following the date of his original certificate the new purchaser must secure a new license. The machine owner must pay \$2 for each certificate.

An auto operator shall not drive in the corporate limits of any city or town at a greater speed than twelve miles an hour. Outside of the corporate limits of any city or town the speed of fifteen miles an hour is permissible, except in going around curves, down sharp inclines or at the intersection of any cross road or over the crest of hills, or in passing other vehicles or riders on roadways when a rate of speed that will tend to avoid danger must be observed.

It shall be the duty of the owner or the driver of every machine run upon any turnpike upon passing a tollgate to exhibit his certificate to the tollgate keeper, and it shall be the duty of the owner of any machine to exhibit his certificate for inspection when so requested by the sheriff or any constable, police or peace officer.

The following rate of speed may be maintained:

First. A speed of eight miles an hour around curves or bends or where the roadway is not plainly visible for a distance of 200 feet ahead, and at the intersection of prominent cross roads, when such roads or highway passes through the open country.

Second. A speed of eight miles an hour at points on any public highway when there is a gathering of horses or persons. Otherwise the rate of speed may be fifteen miles per hour, but not more, and this rate is subject to the conditions set forth in succeeding provisions.

Third. A speed of eight miles per hour where a street or highway passes the built-up portions of a city, town or village.

The owner, operator, conductor, driver or occupant of any automobile shall keep a careful look ahead for the approach of horseback riders or vehicles drawn by horses or other animals, and upon the approach of such rider or vehicle shall slow up, keep his machine under thorough and careful control, give ample roadway to such rider or vehicle, and it signalled by such rider or occupant of such vehicle, or be otherwise requested thereto, shall immediately bring his vehicle to a full stop and allow ample room and time to allow such rider or vehicle to pass. And it requested so to do by the said rider or the occupant of said vehicle, the owner, operator, conductor or occupant, if a male, of any such machine shall lead the horse or horses past his machine. Should any such horse, ridden or driven in an opposite direction to that which the machine is traveling, give evidence of fright, then the duty of the driver shall be the same as if he had been signalled to by the rider of the horse or the occupant of the vehicle.

When the operator, owner, occupant, conductor or driver of such machine overtakes a horse or vehicle traveling in the same direction with himself, he shall slow down his speed, signal the road by bell or gong or horn, or if the horse or vehicle stop shall pass at a rate of speed not greater than four miles per hour. Should such vehicle or ridden horse and the said operator, owner, driver, conductor or occupant of said machine desire to pass, he shall do so at a rate of speed not greater than may be necessary, and shall in all cases use due diligence not to frighten the horse or horses. In case of the machine passing a horse or vehicle going in the same direction, provisions of the last foregoing paragraph shall apply to the operator, owner, driver, conductor or occupant of the machine, except that in such case the horse or horses become quiet and then the machine may proceed.

Every machine shall be provided with a lock, key or other device to prevent its being set in motion, and no person shall allow any such machine operated by him

Saloon Keeper Attacked.
Because he refused to open his saloon at 4 o'clock Sunday morning to accommodate four thirsty foreigners who had been on an all-night spree, Michael Filipovitch, of Passaic, N. J., was shot, and his partner, Nicholas Hervean, was beaten into insensibility with a club. Filipovitch is in the hospital with a bullet in his breast and will probably die. Hervean sustained ugly scalp wounds, but will recover. John Mikulik, of Wallingham, is in the county jail at Paterson, charged with the shooting, and his three companions are held on charges of assault. The quartet got the saloonkeepers out of bed and demanded that they be given a drink. When it was refused Mikulik drew a revolver and shot Filipovitch, and the other three attacked his partner. All were arrested while trying to escape.

Spanish Students Expelled.
A sensation has been caused at Shenandoah College, Reliance, Warren county, by the expulsion of a number of Spanish, Porto Rican and Cuban students who have been enrolled at that institution for the past year or two. W. R. Kline, the principal, says that these students will no longer be received at the college, and accuses them of "treachery and beastly conduct."

Had a Close Call.
"A dangerous surgical operation, involving the removal of a malignant ulcer, as large as my hand, from my daughter's hip, was prevented by the application of Buckle's 'Aneria Salve,'" says A. C. Pickles, of Millers W. Va. "Persistent use of the Salve completely cured it." Cures Cuts, Burns and Injuries. 2c at E. S. Leadbeater & Sons' druggists.
